WE DEDICATE THIS BOOK

This year the 1962-63 Por El Año is dedicated to a man who is respected and admired by both students and teachers alike, Mr. James L. Stafford.

Mr. Stafford is a man of many facets. He is not only well versed in the arts of English Composition and Literature, but also in the arts of the French language and the field of Science.

Mr. Stafford was born in Indianapolis, Indiana. He attended Indiana University during the years 1941 through 1943. He then left the University to spend two and one half years in the United States Air Corps. At the end of his service career in 1946, he returned to college life.

During his college attendance, Mr. Stafford was on the Dean's Honor List, and was a member of the fraternity Phi Rho Sigma. He received his Bachelor of Arts degree in English and Comparative Literature from Indiana University, Bloomington, Indiana. And in the summer of 1957, he received his M.S. degree and a principal's certificate in Secondary Education from the same university.

During the years 1951 through 1956, Mr. Stafford held two individual jobs on a half time basis, leaving his work both times to return to school as a full-time student. His first three years were spent as a lecturer in English, Freshman Composition and Literature at the Indianapolis Extension Center of Indiana University in Indianapolis. His second three years were spent at the University of Indiana, Bloomington, Indiana, as a Teaching Associate in the English Department. During the year 1957, Mr. Stafford and his family moved to California, and in September of that same year he became a teacher here at El Rancho.

Since then Mr. James L. Stafford has done much for the students of El Rancho and for the school itself. Very few of the students will ever forget this remarkable man to whom this book is dedicated.

With respect and sincerity,

ALMA MATER

Hail to thee dear Alma Mater
Hail to thee El Rancho High
All your Sons and Daughters want to
Sing your laurels to the sky
Wave your banners on to glory
May your colors proudly sway
Let us always tell the story
Honor to the Blue and Gray

Hail to thee, Oh Alma Mater
Hail to thee, with heart and tongue
Pride we feel and love yet greater
While we sing this glorious song
May the blessing of our school days
Hold us with a binding tie
Let us show that we will always
Honor thee, El Rancho High.

A HISTORY OF SUCCESS

Eleven years ago El Rancho High School opened its doors. Since that first day thousands of young people have passed through our halls—halls which are becoming hallowed with the tradition of success. Often as I walk through the halls and classrooms in the early morning or late afternoon, I hear the echoes of these former students. I can recall the El Rancho student who is now a professor at Harvard; I can recall the pesky runt who is now a marine biologist, traveling the oceans of the world; the non-conforming, outspoken editor of the "El Rodeo" who is now a teacher at El Rancho; the vivacious, friendly girl in the second seat, third row of my U.S. History class, who is now a mother of six children and is a happy housewife; the rash, independent Don quarterback who was nominated for the college All-American Football Team; the impetuous, fun-loving boy who is now a champion rodeo rider. These are but a few of the many El Rancho students of whom we are justly proud. They are graduates of El Rancho. They are successful and useful citizens.

Honors, awards, championships, and trophies in abundance have been ours; but these are merely means of establishing patterns of, and expectations for success in the El Rancho student, for the hallmark of El Rancho's success is what the students do after they leave our classrooms.

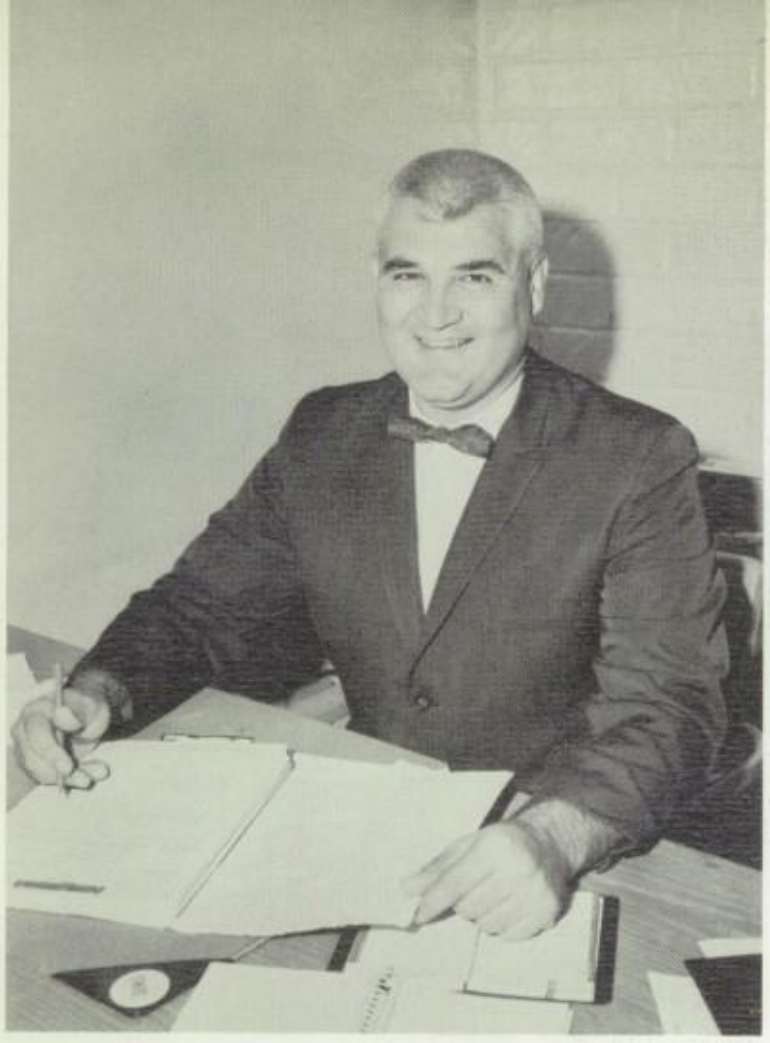
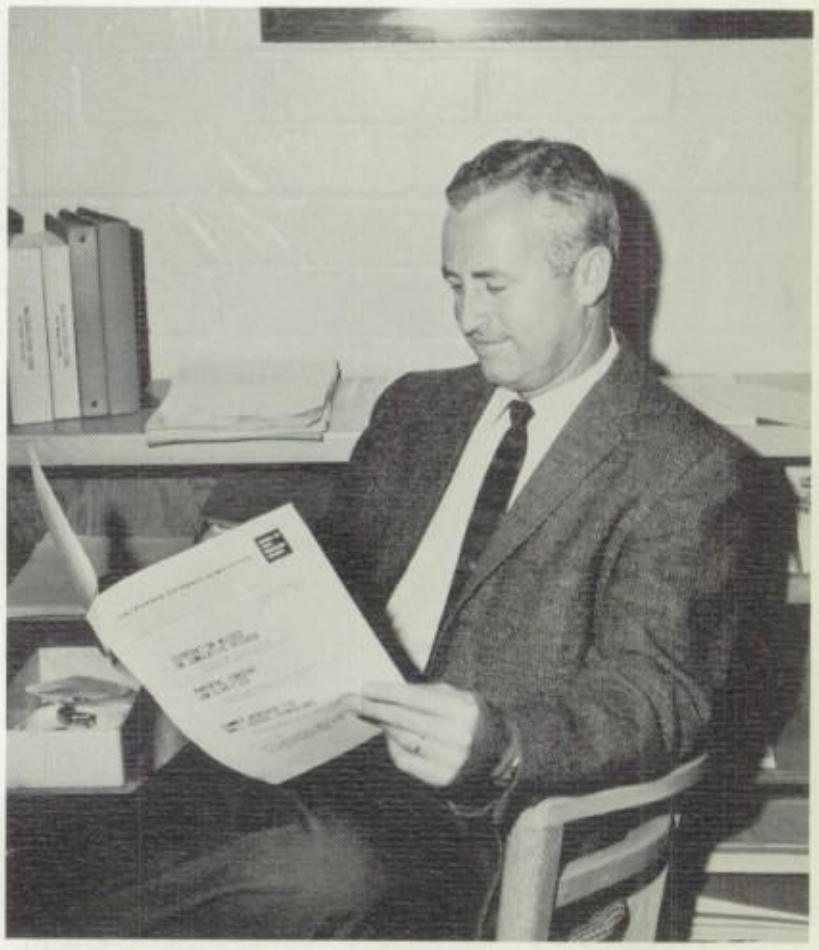
NEW ADMINISTRATION DOES FINE JOB



Mr. Mathew Miletich: Assistant Principal
Activities and Business

El Rancho's school administrator's did a fine job during the 1962-63 school year. Although there were many new members added to El Rancho's staff, duties were carried out as usual —efficiently and swiftly. Under Principal Nolan L. Noble's guidance, El Rancho's administrators did a fine job indeed.



Mr. Harry Tammen: Assistant Principal—Guidance.

Mr. Eugene Kreyche: Assistant Principal—Curriculum.

Mr. Stanley Steddom: Coordinator of Instruction.

THE RIGHT PATH

This past year has been the first for three of the five counselors at El Rancho. The other two have become tried and true models of the type of guidance officers all schools need. Together they make a fine team for counseling and guiding the students along the lines of their future planning, according to the basic preparations developed through the years of schooling. We all know that educational foundations have to be strong and well co-ordinated in order to enable us to choose and absorb future studies necessary to the final successful commitments to our chosen fields. (A house built upon sand cannot stand.)

Tests are given to discover each student's best attributes, and strongest interests, and to help and guide the counselors in giving the right advice. These tests tell them in which fields the students have an interest and in which fields their aptitudes lie, also enabling them to advise auxiliary studies and practical applications of such. Without this information and guidance, many students would never make the grade in the field best suited to them.

We know that our counselors have our welfare at heart, and therefore they act always in our best interests.

OFFICERS FOR 1962-63

Treasurer — Dennis Evans

The El Rancho Teachers' Club helps to provide for the representation of our faculty in various professional organizations and activities through our district-wide organization—The El Rancho Teachers' Association. On campus, our membership continually works to improve the effectiveness of our educational program. In addition, we sponsor social activities for the teachers on this campus and provide for numerous small services such as daily refreshments for the staff.

Each year the El Rancho faculty also awards scholarships to several seniors. Funds for these scholarships are raised by the co-operative effort of the entire faculty. Last year the Teachers' Club was able to offer four two hundred dollar scholarships to help further the college education of El Rancho graduates.

Underlying all the activities and services of the El Rancho Teachers' Club is a spirit of friendly co-operation and a desire to keep El Rancho the best. Each year the Teachers' Club, representing the entire faculty, rededicates itself to those ends.

CLUB

El Rancho's teachers and administrators were avid fans at the numerous sporting events held during the past school year.

RECOGNITION TO BE GIVEN

On this page are pictured two groups of people who have never been given proper recognition in connection with our school. They are the Night School Administrators, who run the evening classes here at El Rancho; and our friends, the bus drivers. We owe a lot to these people and we hope we are correcting the error of nonrecognition this year by presenting them in this year's annual.

Behind the scenes of our well run, and prize winning school are three groups of people, the secretaries, the cafeterians, and the maintenance crew.

The secretaries run the different offices with skill and efficiency, projecting their pleasant personalities to the public. They handle all the correspondence for the school, and keep all the records straight and up to date.

Likewise, the cafeterians manage an efficient kitchen, turning out large quantities of food each day. They prepare both the tray lunches, which are served in the cafeteria, and the ala carte items, which are served through the snack shack.

The maintenance crew is another group which operates with a smoothness, doing all things necessary to keep our school in a neat and tip-top condition. They not only keep the campus looking neat, but they repair anything which needs it, from electrical wires to the combination locks on the lockers.

CAFETERIANS—BACK ROW, left to right: E. Lane, L. Steinway, J. Stobough, D. Robar, L. Furgusen, and O. Farrari. FRONT ROW: V. Noonan, S. Kelso, V. Salo, M. DellaZoppa, H. Lange, Manager; and K. Schlegel,

A NEW WORLD

Science—the key which opens up a whole new world to the individual. Here at El Rancho, through our extensive Science department, we offer this key for the taking to any willing student.

Future Mathematicians

MATHEMATICS AND OUR FUTURE

Understanding higher mathematics is becoming more important in professional and semi- professional occupations. It is becoming so important that it is necessary to understand and be able to use fundamental mathematics just to be able to conduct everyday affairs.

Our Mathematics Department realizes this need for mathematical knowledge and is trying to present the mystery of numbers to the students in the best way possible. The department is striving for an awareness of the presence of mathematical problems, and an understanding of mathematical principles; skill in the performance of fundamental arithmetic; and increased understanding among those who pursue higher mathematics as a basis for scientific or professional careers.

E. R. STUDENTS MASTER FOREIGN LANGUAGE

Knowledge of a foreign language is becoming more and more beneficial in our world today. Knowing a language besides our native tongue helps us to understand foreign cultures, customs, and personalities. We can get a better perspective on current world situations after studying a foreign language for three or four years. El Rancho students are lucky in this respect. They can study a language for as many years as they wish, and they have a choice of five languages from which to choose.

LITERARY BEGINNINGS

English classes here at El Rancho are of a stimulating, and interesting nature. Freshman, Sophomores, Juniors, and Seniors all receive English every year that they attend El Rancho. This course ranges from elementary vocabulary instruction to the introduction of great literature, such as that of Shakespeare. It is a required course, but through the efforts of our fine English department, the students of El Rancho are able to absorb and enjoy the study of our English language.

There is another part to the English classes at our school. Not only do the students learn about the literature of the world, but they also have four years of English Grammar in which they learn to eliminate the fatal mistakes called Gross Illiteracies.

THE FINER THINGS

Fine Arts: It means exactly what it implies; cultural enjoyment of and participation in drama, music, beauty, art, and terpsichore. Drama and Art are combined in the creation of stage plays, with the students planning and fabricating their own scenes and atmospheres. Our reputation for fine performances is upheld by the excellent response of our "full houses." Good performances beget full houses, and full house support begets good performances.

THE WORLD OF MUSIC

Mr. Marsh at the piano

Music standards at El Rancho are of the highest. Our very able band master has turned a small group of musical students into a very fine band, proof that numbers are not necessarily a recommendation of quality. We salute you, Mr. Jacobs.

Choir groups contributed their share to our cultural development and enjoyment by improving their musical talents through this medium of expression under Mr. Marsh.

As students of El Rancho, we are fortunate to have the best, under the able tutelage of our Fine Arts Staff.

PREPARE FOR THE FUTURE

Homemaking classes instruct their students on the fundamentals of good housekeeping. Students enrolled in this course learn how to cook, sew, and apply basic household hints. They are also taught many other useful skills which will be beneficial to them in their future as parents and homemakers. Homemaking is not a course which is as easy as it is thought to be. It requires just as much concentration and studying as do any of the other academic courses. This course brings about many fine future homemakers, who will be able to make their own homes, in which they are the parents, attractive, comfortable, and efficient.

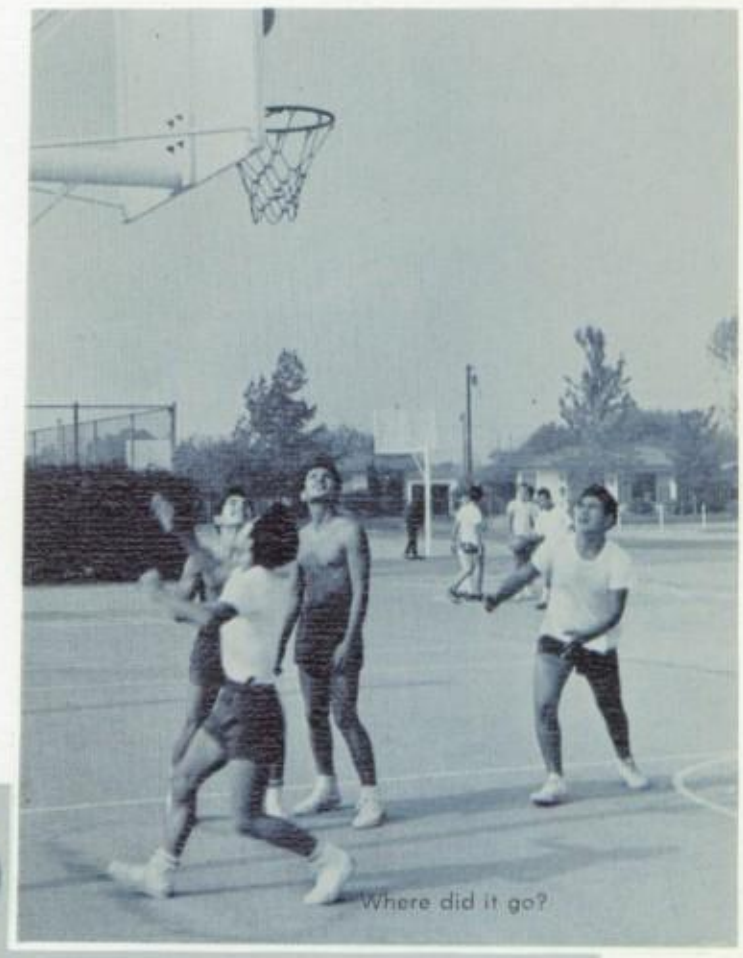
Physical Education at Its Best

The Physical Education Department of El Rancho High School has an important duty to perform. This is to help guide young, maturing students so that they may become useful citizens. At a time when physical fitness is being stressed, the department takes pride in instructing worthwhile and enjoyable sports to the students. Physical Education is a very necessary facet of high school life, and it is dealt with in such a manner that it is beneficial to the students.

This past year a number of sports have been presented to the students. Among them are: Tennis, Football, Basketball, Archery, Volleyball, and for the girls only, Dancing. The latest addition is that of swimming in our newly acquired swimming pool.



Where did it go?

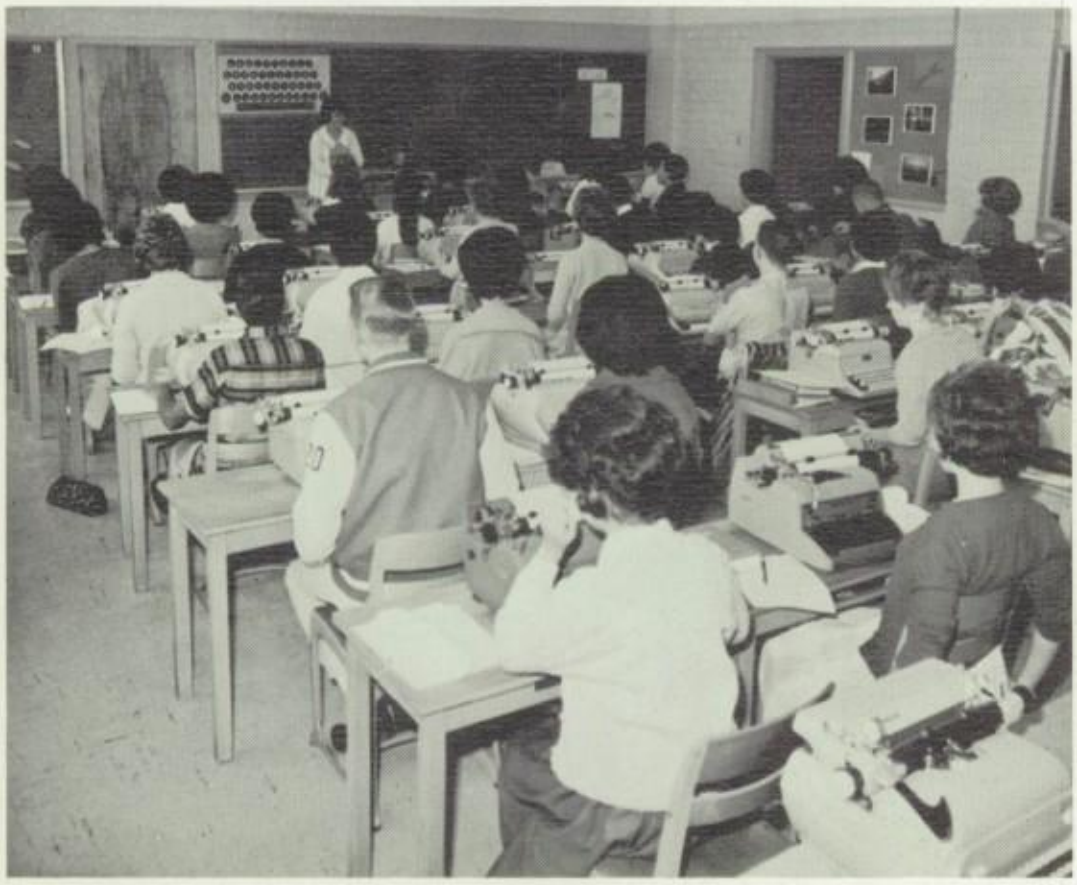
Learning to type is a must for a business career.

A CAREER IN THE BUSINESS WORLD

Typing is a popular subject.



The demand for secretarial and office workers is great at the present time. Frequently, calls come in for both girls and boys who are qualified to do various kinds of commercial work. These jobs often serve as stepping stones to higher paid positions. Students interested in a business should take as many business courses as can be carried in their schedule.

There are five areas from which the student may fit himself for employment. They are: Secretarial, Stenographic, Clerical, Bookkeeping, Salesmanship and Merchandising.

That's one way to find out how it works.

The Printing Press; a marvelous machine.

PREPARE FOR THE FUTURE

Industrial Arts includes many different fields of crafts. These Industrial Arts courses are taken by students who have a special interest in this type of work. Many students taking them as preparation for future vacations.

El Rancho offers training in the following courses: Auto Mechanics and Agriculture, Woodshop and Welding, Auto Shop and General Shop, Architectural and Mechanical Drawing and Radio, all which are taught by specialists in their respective fields.

The students who take Industrial Arts courses are given the opportunity to apply what they have learned. Many times one can see an Industrial Arts student carrying home some finished product of his learning. In this way the course proves not only educational, but productive, too. Anyone need a new table?

A YEAR OF ACTIVITY

As usual this past year has been a busy one for the El Rancho Congress. It has had many bills come before it, and has had to make the decisions about whether the bills should pass or not. These bills have caused hours of debate for and against them. They have been voted down or passed, or sent back to their orgin for revision.

The members of this year's House of Representatives were leected from each advisement class. They, then, had the duty of attending all House meetings and reporting the results of those metings to their respective advisement classes.

The people which make up the Senate are representatives of the different clubs and organizations on campus. They too, have the duty of attending all meetings and rendering reports to the groups which they represent.

WOMEN INVADE THE PUBLISHING WORLD

This year 26 girls and 1 boy have worked their minds and fingers to the bone trying to make this years annual the best ever. We think we have succeeded. We have added many new things to this book, full color, spot color, a 'most likely' page, and a teacher's scatter page. And these are just a few of the things done.

The purpose of this year's annual is to take you step by step through the activities of the past year; and to have you recall the humor, the adventure, and the anxieties that were a part of you, while you were a part of El Rancho. The staff, along with Editor Analia Marshall, Assistant Editor Kay Grayson, and Advisor, Mr. Willett hope that this book will be a record of happy memories of your high school career.

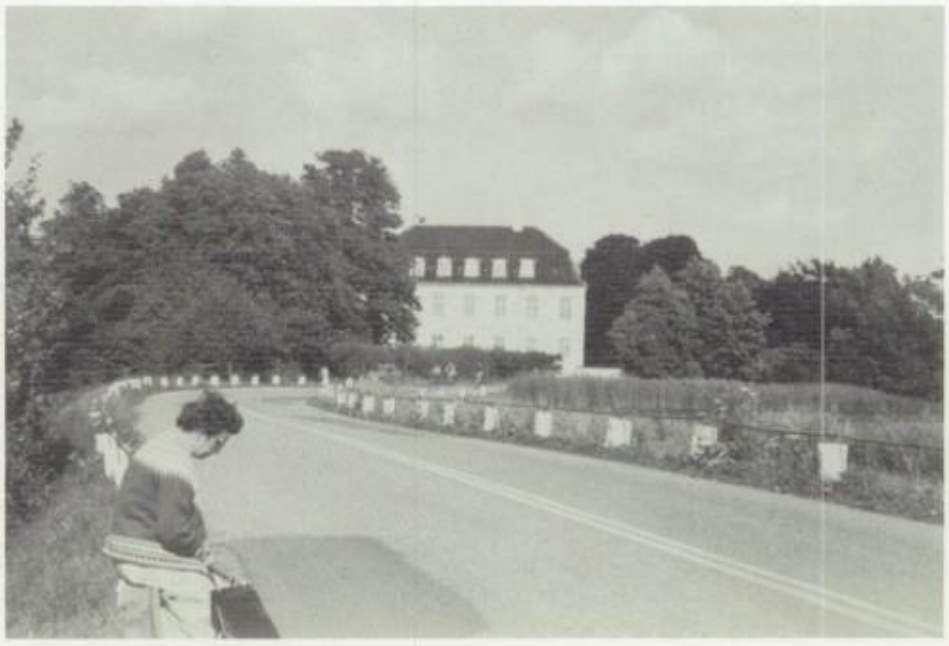
Richard Okada: A.F.S. Exchange Student.

AFS DENMARK

This year to make this page a little different we asked our one and only Foreign Exchange student to write something about his trip. Richard Okada graciously consented, and he came up with a wonderful and clear picture of his six weeks in Denmark. We now present this picture to you.

As I look back on my summer stay in Denmark, many wonderful memories drift softly, but vividly into my mind. Memories like lazily walking through a fresh, green forest, going fishing in a cool, deafeningly quiet lake, cycling home six miles against a drenching rain, and staying four days at a Youth hostel in Copenhagen. Time can only make these and other memories grow richer and deeper in my heart.

My life as the "son" of a Danish farmer passed by slowly, as I relished every minute of it. For six weeks, I experienced a way of life that I had always dreamed of with a rare and wonderful family who restored in me the hope that some day people the world over will live in harmony. As I adjusted to their ways and became comfortable with them, I realized that although there was much work to be done, there was no semblance of strain nor haste; instead, their work was taken in stride and their lives flowed easily and smoothly. Without a battle there can be no defeat; they did not defeat themselves by making their lives a long contest against nature or death. They provided living proof for this quotation by Thomas Carlyle: "Work is the grand cure for all the maladies that ever beset mankind — honest work which you intend getting done." Perhaps this is the reason why many Danes live to a mellow old age, instead of a decrepit old age.



A historic landmark in Denmark.

The main street of the Danish town Skelskor.

The courtyard of my foster home.

Jens, my Danish brother, at work.

The family fields.

If one travels as a tourist, one can soak up the beautiful country sides of Holland, Germany, and Denmark. Miniature houses, narrow roads, dense forests, wooden shoes, and old windmills resemble scenes from Hans Christian Andersen. Also, modern recreation areas, modern buildings, and modern highways are everywhere to catch the eye of the wealthy (or not so wealthy) excursionist. But the lasting monuments of a nation—language, little-known customs, literature—cannot lie open to the mere sight-seer who cares nothing for cultural understanding. I feel that I became close to the Danish people as a result of my short life on a Danish farm. I spoke their language, ate their delicious food, and worked on one of their farms. I saw their country through the eyes of both a foreigner and a Dane. I became a member of the great American Field Service Family and adopted brothers and sisters in almost every country on this earth. My only regret is that my stay in Denmark was so short.

THEY YELLED THEIR HEARTS OUT

Our spirited Varsity Yell Leaders, who performed crazy twist and cha cha cha yells this past year, always made sure that school spirit was never lacking at El Rancho's athletic events during the 1962-63 school year.

Class competition rallies sparked student body spirit.

POM POMS PROMOTE PEP

This year's Varsity football and basketball Songleaders helped promote enthusiasm at numerous sports events here at El Rancho during the 1962-63 school year. Their ever-present pom poms and spirited performances helped grace the Don football field every game night.

Pep rallies helped promote attendance at football games.

IN MEMORY OF DANNY RASCON

Danny was a happy, interested student and a delightful friend to students and faculty alike. The Leukemia to which he succumbed often left him weak, but not dispirited. He tried hard and achieved well, in the same championship spirit that is well known to El Rancho High School. He was an outstanding representative of his school and community traditions of excellence, friendship and devotion to highest ideals.

Danny was the kind of person who leaves a lasting impression upon those who know him, and by those who knew him, he will be remembered always.

IN MEMORY OF

MARTIN EDWARDS

He was shy and modest, yet well-known and well-liked. He was a fine, industrious boy. He never evaded responsibility or work. He was the personification of service to others. He was a scholar who set the highest standards for his fellow students. He was a symbol of all our school could ever hope to offer any of the young people who come to us to learn. Martin came to us, as the others do, in an effort to learn and to make his life and the lives of all of us more meaningful. To this end he succeeded.

SENIORS

SENIOR CLASS

Secretary, Diane Jan

The class of '63 came alive after a long slumber as underclassmen; in this our final year at El Rancho High School, we strove to excel and to receive that honor which has always been out of our reach in the past—the class of the year award. It is easy to rationalize and childishly cry out that the class fell down because no one was willing to work; but the truth would be that the class fell down because the leaders fell down. A mass of people without a guiding force is nothing—only chaos prevails. There was no guiding force in the past and it is doubtful whether there is now; also, there was no unity in the past; but the class of '63 has done well this past year because

the very fact that it is our senior year has proved to be the unifying element—this offset the lack of more capable leadership. This class rightly deserves to be called "Mighty Seniors". The Senior Luau began a year filled with excitement, worry, and lack of funds. The Senior pins, El Rancho sweatshirts, El Rancho pens, and Senior Dolls were sold. With graduation came all the added activities; Senior Slave Day, Senior Tea, Senior Awards Assembly, and finally, the Senior All Night Party. In the academic world and in the world of activities, the Senior Class of 1963 showed pride, character and dedication.

We have nothing better to do at lunch than to sit around and pose for pictures.

Aw, come on guys, why don't you smile?

Lunch time is also a time of study, for some.

I still say you're eating MY lunch.

SENIOR CAMP COUNSELORS

This year thirteen students from El Rancho participated in the Rivera School District's program in outdoor camping education. Through this privilege, these students gained experience in the understanding and guidance of younger children. To become camp counselors, the students were selected by Mr. Tammen. After obtaining parents permission the counselors were off to spend a week at Forest Home. Students participating in the outdoor program were: Sandy Wells, Dean Huddleston, Helen Flores, Ernie Vejar, Linda Scarborough, Toni Garcia, Lou Seligman, Bob Chitwood, Esther Sherwood, Frank Loveless.

Looking on the more serious side of graduation we find a few Seniors discussing their choice of graduation announcements.

By the amazing fortune of invisible paint cans and paint brushes, the Seniors tied in trash can painting for class competition.

First things first, so the Seniors bought their Senior Pins to identify themselves as the class of '63.

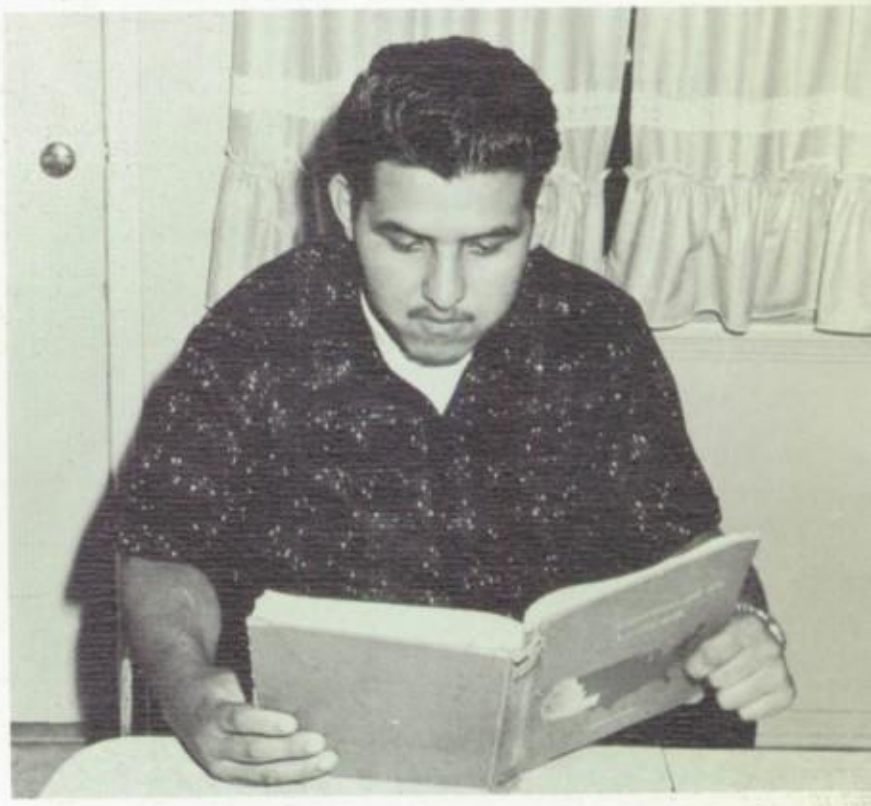
The first competition pep rally for the class of the year award was won by the Mighty Seniors.

Winning the Toys for Tots competition, a few Seniors pack the toys that were collected.

A TRIBUTE TO

RICHARD

JUAREZ



A smile, nevertheless . . . . . .

Richard strives for higher grades.

Richard was a Junior when I first became acquainted with him in the fall of 1960. He had signed up for General Agriculture and was assigned to my sixth period class. His plot was always clean and neat and he usually finished his work before the period was over. Richard was very eager to learn and would ask for extra work doing something different than the usual maintenance jobs.

On Friday, September 25, 1960, Richard and I laid block until about 6 P.M. He went to the football game that night and was stricken within an hour after getting out of bed the next morning. Infectious transverse myelitis was the diagnosis—total paralysis was the immediate result.

Mr. Harry Veale

When Richard was stricken with this paralyzing disease, he was forced to leave El Rancho to be hospitalized for special treatment. After a period of treatments at the hospital, he had improved far enough along to return to school in a wheelchair. He would attend school everyday for four periods. Upon his return to El Rancho, Richard had hopes of graduating with the Class of '63, he wanted to be able to walk up and receive his diploma all by himself. Upon gaining strength in his legs, he tried too hard which caused an unfortunate accident, he fell and broke his leg in two places.

We all hope that by graduation he will be able to fulfill his wishes.

WE'RE PROUD OF YOU BOYS, WE'RE PROUD

Horse Racing may be the sport of kings, but football is the sport of men. The El Rancho football team of 1962 truly represented football in its highest form. Sportsmanship, self-sacrifice, and dedication all were integral parts of this years team. From the fourth string substitute on the bench to the first string all-league selection, every boy was dedicated to the team. This is a great tribute to Coach Johnson and also to the men of the 1962 football team.

Football, to the average spectator takes place on Friday night, go to the thousands of diligent hours of preparation that go into that Friday night game. All year long coaches, Ernie Johnson, Joe Petti, and Bill Hughes, spend Saturdays, Sundays, and spare hours, helping to build the El Rancho football players into men.

The spirit of El Rancho was heralded throughout California by its courageous football team.

THE WAY THE

The football game has come to mean a great deal to every campus, and El Rancho is no exception. From the first game of the season against Montebello, to the last thrilling playoff game against Anaheim, the Don Gridders provided the El Rancho Rooters with good football.

The pictures on these pages should bring back memories for all football fans; starting in the

Grid action.

This year we would like to mention in the Por el Ano, the El Rancho varsity football players who were chosen to the S.G.V.L. All-League team.

The four dons named to offense were: Frank Loveless, Sr. fullback; Tom Egan, Jr. quarterback; Alan Knebel, Sr. end; and Dennis Chabala, Sr. guard.

The five dons named to defense were: Bob Kjosling, Sr. tackle; Scott Reid, Jr. safety; Ron Drake, Jr. safety; Alan Knebel and Dennis Chabala. Dennis was also chosen outstanding lineman in the S.G.V.L.

VARSITY CROSS COUNTRY

Joe takes the lead once again!

The El Rancho Varsity Cross Country team had a very successful season this year. The team, under their coach Mr. McIlwain, finished second in league action, and advanced to the C. I. F. prelims.

The captain for the varsity team this year was Richard Mendez. In leading his team, Richard broke several school Cross Country records; and in S.G.V.L. competition proved to be the second best runner in the league. Joe Trammel, whose picture is above, placed third; giving El Rancho two of the S.G.V.L.'s top three Cross Countrymen.

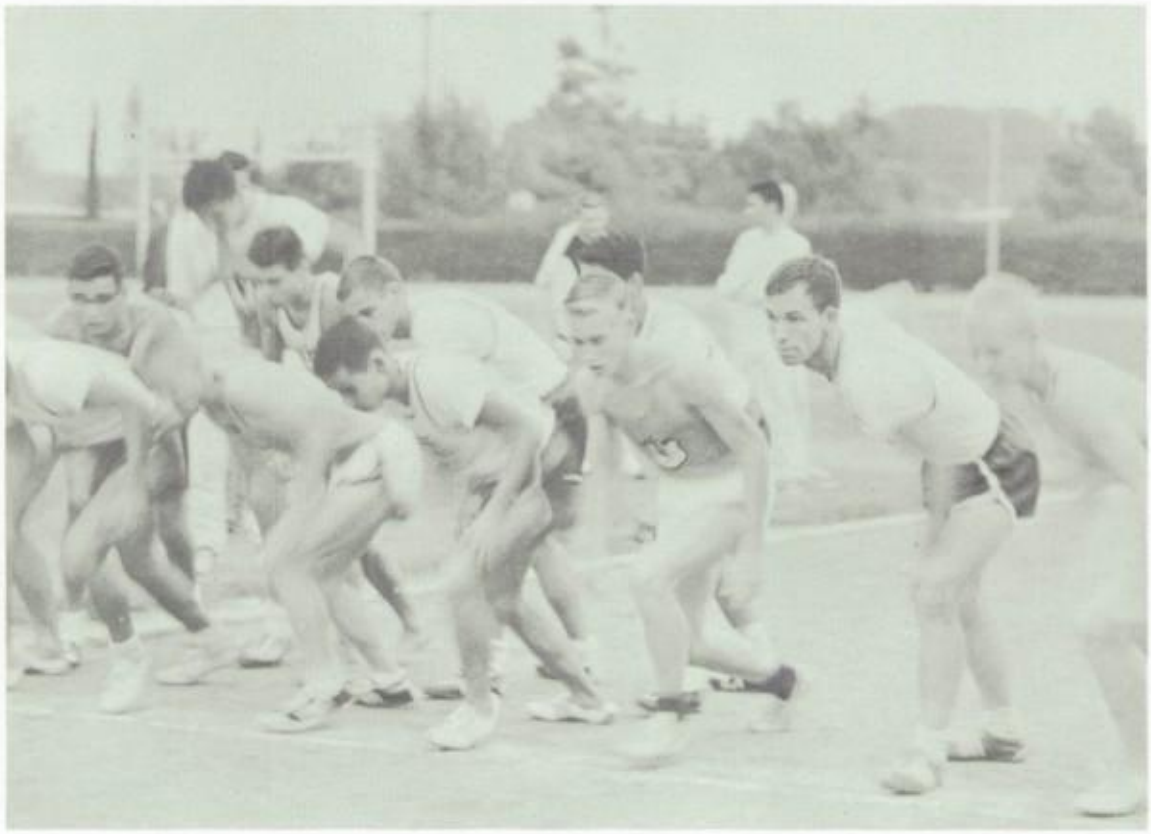
JV CROSS COUNTRY



And in just a little while, this whole thing will be over.

More than half of the Jr. Varsity and freshmen Cross Country men will be returning to the sport next year. Coach McIlwain said he is looking forward to a successful season next year because the team will be more experienced.

The boys finished in fifth place this season, but both teams have resolved to do better next year.

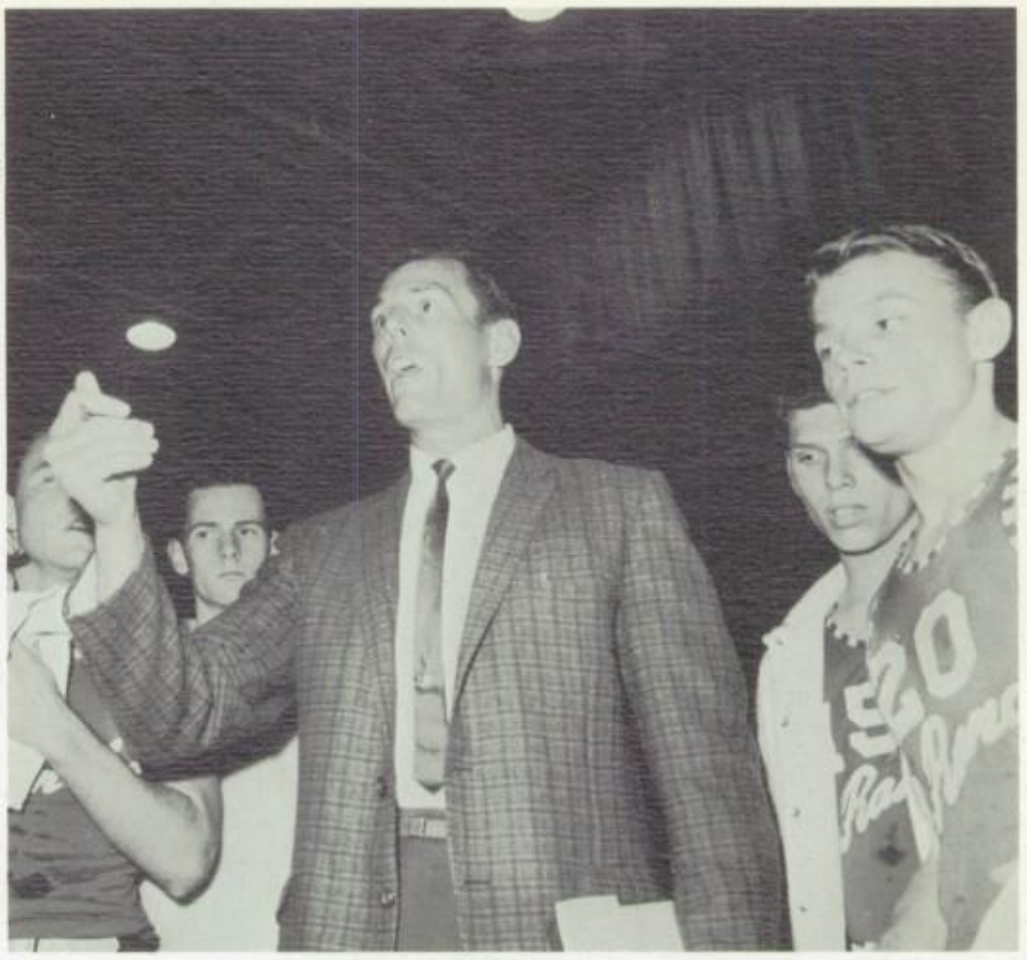
Coach Don Johnson



All right, if you guys don't shape up there'll be no payoff.

THEY NEVER GAVE UP

There are probably only a few sports more demanding in physical stamina and ability than Basketball. Basketball is also very difficult to coach, yet Mr. Don Johnson took a group of boys with relatively little experience and molded them into a fine disciplined team.

After a fine pre-league season, capped by grabbing second place in the La Habra tournament, the Dons ran into a disastrous losing streak. Games eluded them by only a few scant points. Morale seemed sure to drop to a new all time low for an El Rancho team, but Coach Johnson and his crew never gave up. Practices continued to be long and hard with every man from the lowliest sophomore to Co-captains Mike Matkins and Steve Cushman giving a 100% effort. Those diligent practices paid off for the Dons. They broke out of their losing streak to crush their last three opponents. This display of fortitude and courage when everything seemed to be going wrong is a trubute to the character of our fine El Rancho team and its great coach.

Coach Osterman was very pleased with the courage and fortitude displayed by every one of the boys. Their attitude coupled with their ability made them a fine team.

GOLF

Golf has been played at El Rancho since 1954. The team has had many successful seasons under the guidance of coach Joe Osterman, who has coached the team for ten years.

The first and second men on the squad this year are Jim Millard and Mike Matkins respectively. Their record of victories is somewhat higher than that of the team as a whole. They receive the support of the other team members, who are John Fielder, Bill Adagio, Craig Chapman, and Bob Stewart. The squad has improved considerably this year, and next year's team looks very promising. The Record thus far is 2 wins, 8 losses.

BASEBALL'S BOSS-MEN

Manager Gary Taylor

It looks as if El Rancho's baseball team is destined for another fine season. With nine returning lettermen, including Steve Cushman, Jack Blanco, Scott Reid, Ron Drake, Chuck Glass, Ernie Madrid, Bob Higgins, Rudy Acuna, and Joe Krissman, from a team that went to the C.I.F. playoff, it seems the team will not lack experience. The squad which has lost only one game thus far, is being coached by Mr. Olsen, mentor of last year's championship junior varsity squad. With an abundance of talent from last year's champion J.V.'s plus a corp of returning veterans and a coach with a championship record, it seems this year's varsity baseballers have a fine shot at the coveted C.I.F. crown.

"You gotta be sincere . . . ", sings teen age idol Conrad Birdie as Sweet Apple youngsters listen in ecstasy. Mike Young appears as Conrad.

BYE BYE BIRDIE

This year as a special feature the Drama Department, lead by Mr. Don Gerts, put on the first amateur production of the play Bye Bye Birdie. The play was held on May 23, 24, and 25, with a special preview assembly held for the El Rancho students on May 22.

This has also been the first time in the history of El Rancho that a musical production has been presented to the student body, and public. This musical satire deals with a teen-age idol that has to leave for the service, then complications arise and a very different and entertaining climax helps straighten things out.

We would like to give special credit to Mr. Marsh, El Rancho music director, and to all students who helped in producing this fine and very rewarding play.

SENIOR LUAU

The evening started out with a delicious dinner, followed by professional entertainment. Later the El Rancho Seniors danced to the latest tunes. A good time was had by all who attended.

The hula, Dennis, not the twist.

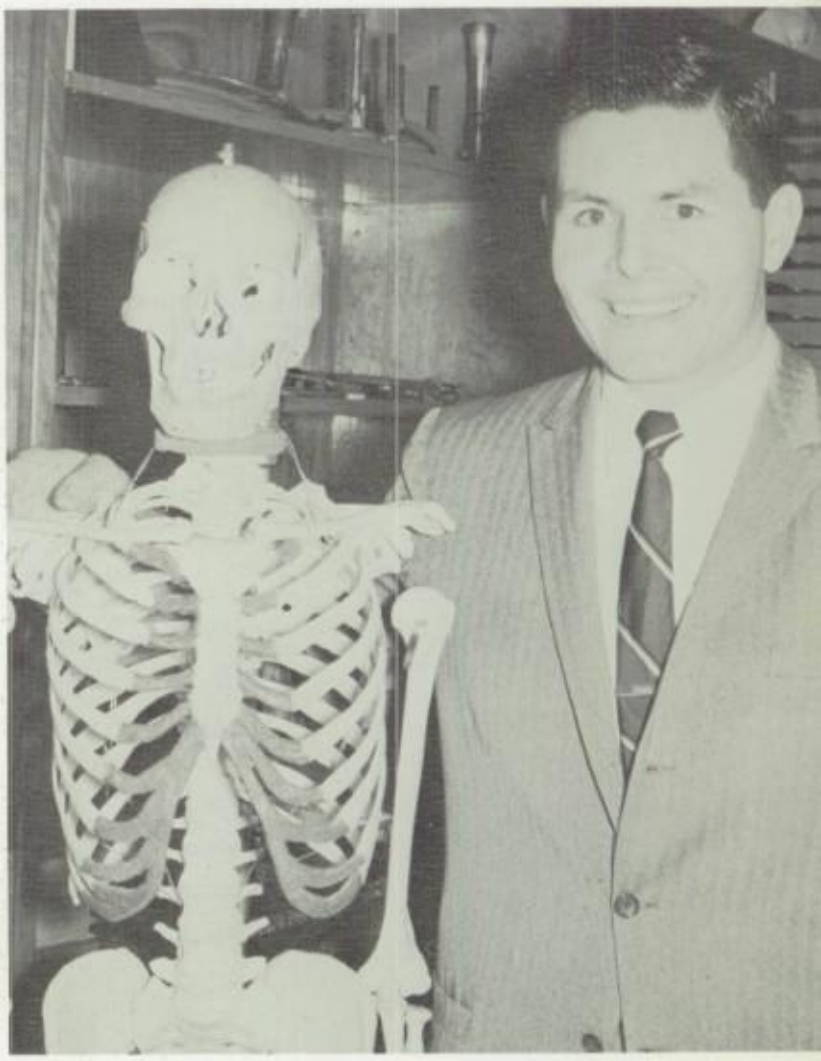
Wendy does the Hawaiian hula.

Dennis and Dick imitate Fat Mamma.

CANDID CAMPUS

"I told you to leave my bubble gum alone!"

"Haaaappy New Year!!"



"And I used to be a 50 pound weakling."

"Oh wow, get out of here while I'm eating!"

Laura Scudders potato chips are the noisiest chips in the world.

Nothing like a smile to support our team.

But I was only trying to help.

You cheated! You cheated! You cheated!

Hey! Did you hear who won the game?

UNIQUE ROYALTY

Excitement mounted at the ninth annual Homecoming assembly, held on October 26, as our Homecoming Queen and her Court walked down the aisle of the gym to be presented to the student body, faculty, and alumni. The audience grew quiet and tense each time Student Body President, Mike Matkins, opened an envelope and announced a princess, climaxing at the announcement of the 1962 Homecoming Queen, Susan Dykstra. Her four Princesses were: Senior Princess, Judy Bement; Junior Princess, Marsha Edwards; Sophomore Princess, Gloria Clugston; Freshman Princess, Kathy Barlow.

That night the Queen and her four Princesses were presented again at the El Rancho Stadium as they were driven around the field by varsity club members, then crowned on the field. After the game, Queen Susan and her Court reigned at the Homecoming dance . . . . . .

UNIQUE ROYALTY.

Sometimes they even have slow dances.

GIRLS' LEAGUE

The planning for this year's Girls' League Formal Dance began in early October with the theme, "Oriental Fantasy."

The main job in planning was decorating. In tackling this chore, we decided to rent certain large props such as buddas, rickshaws, and a bridge. Most of the other decorations were made by Girls' League representatives. Among these "home-made" decorations were the flowers and centerpiece.

The next step was the selection of the band and photographer. These jobs were filled by the "Music by Mario" band, and Stanford Studios respectively.

In keeping with the Oriental theme fortune and almond cookies were chosen as refreshments with a pineapple fruit punch to drink.

Everything was finally set on January 12 and no one was happier than Cathy Schy, Girls' League Second Vice President, who was in charge of the dance.

The dance was held in the Don Ballroom (gym) from 9-12 and seemed to be a great success.

A few couples enjoying a wonderful evening.

Second place was captured by the **Kabuki Kapers,"** and third place was well chosen in the group of the **Banana Land Babies."** Sherry Ledbetter jokingly remarked, "Wait until next year." Sportsmanship was captured by the peppiest group around, "Keystone Komedy." And now the curtain closed for another year.

Come on girls, get those arms up. Stretch!
Where in the world??????????????????????????

Have you ever had that rundown feeling? Tired and droopy blood?

PRACTICE MAKES PERFECT

As the gym was closed on March 8, 1963 so went the memories of another year of Coed Capers. One of those memories was gathering together a group of girl friends. Then came the many ideas for a theme for the group, the choosing of a clever name and the trials of finding just the right records of your dance . . . But mostly the girls will remember the hard times they had making up the dances. Then came the day you found out you made it and then the many, many hours of rehearsing and the discouraging times when you found out that there were one or two girls who just couldnt get that kick up high enough or couldn't quite get the right beat with the record. Most of your worries are forgotten when you perform for the first time in front of an audience. Three performances later it is all over and some groups begin to plan for next years Coed Capers.

'63 JR.-SR. PROM

"BON VOYAGE"

El Rancho seniors say 'Bon Voyage" as they attend their last formal dance at El Rancho High School. "Bon Voyage", the theme of this years annual Junior-Senior Prom, was chosen by the Junior Class as a farewell to the graduating Senior Class of '63.

The Don Ballroom was decorated to resemble or to give the illusion of a ship at a dock preparing for departure. Looking around, one could have found a ship's Helm, Smoke Stack, Streamers, Confetti, Stewards waiting to serve you, and even Port Holes along the sides of the Ballroom to add to the enjoyment of the evening.

For dancing pleasure there was a well-known band, and also an exciting intermission show. All this added up to make the 1963 Junior-Senior Prom one of the highlights of the '63 school year, and one of the best Proms ever to be held at El Rancho High School.

You can tell Bob Lockridge is anxious to attend this year's Junior-Senior Prom.

One of the outstanding service projects of the year was the "Don Burger Survey" sponsored by the Future Home Economists. In order to assist caferteria workers, a survey was taken to get the students opinions on sack lunches. Then a contest was held to select the best recipe for the new Don Burger.

At the first Home Economics Fair of El Rancho, the club members showed a film and helped to usher. This fair proved to be most interesting and educational.

They have worked on major dramatic productions, have done technical work at assemblies, have taken trips to see KISMET and other professional productions, and they have done several "Evening of Theater" productions during the year to which the public was invited. SPONSOR

The Varsity Club spent many lunch hours in G101 doing and planning last year's traditional activities.

VARSITY

Any boy who lettered in a varsity sport was eligible to be a member of this club.

The Varsity Club is one of the most popular and publicized clubs on campus.

The club members are: Chuck Glass, Ken Devine, Dean and Darrell Huddleston, Frank Loveless, Cam Gaudet, Scott Reid, Joe Lopez, Dick Okada, Bob Kjolsing, Dick Colbert, David Ortiz, Gary Villard, Steve Cushman, Gordon Pettus, Bob Lockridge, Dennis Chabala, Bob Higgins, Alan Knebel, Mike Stell, Tom Egan, Steve Swanson, Fred Sparling, Glen Taylor, Rod Furgeson and Mr. Petti.

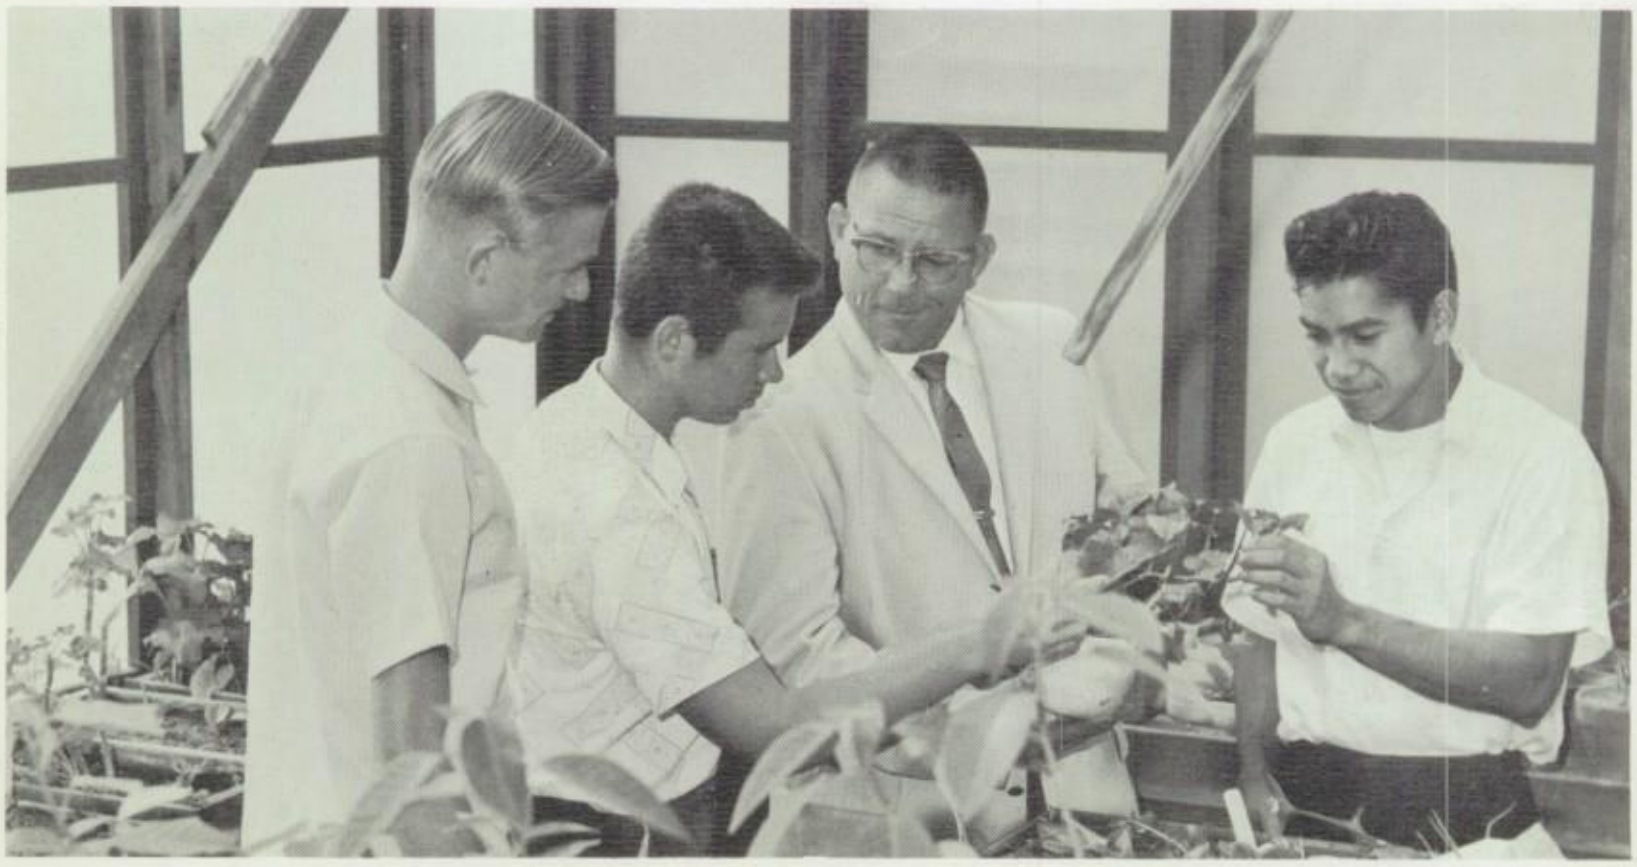
AGRICULTURE

Another active club on campus is the Agricultural Science Club.

Building a 'quad' in the Industrial area was one of their many activities. Other activities include printing an informative agricultural news paper, testing various plants and grasses for various conditions, and arranging planters for classrooms.

Under the capable leadership of Mr. Veale, the club is becoming very active on campus.

The members are: Paul Maguire, Mickey Johnson, Mr. Veale, advisor; Ernie Vejar.



The members and advisor of the club examine the growth progress of a Synonium Podophyllum.

Fernando Machuca, Richard Hinojos, George Morales, David Hernandez, Ysidra Viera, Gilbert Nemdiaz, Sal Juarez, Mike Morales, Nash Magana, Ralph Adame.

GUITAR CLUB

Strumming up a fanfare for their second year of action is El Rancho's Guitar Club. Under the able and helping hand of their advisor, Mr. Ysais, the club has enlarged the field of musical enlightenment to the inhabitants of Donville.

The Guitar Club has strived to be one of the better clubs on campus by presenting novel and exciting activities for the enjoyment of both the club and the student body.

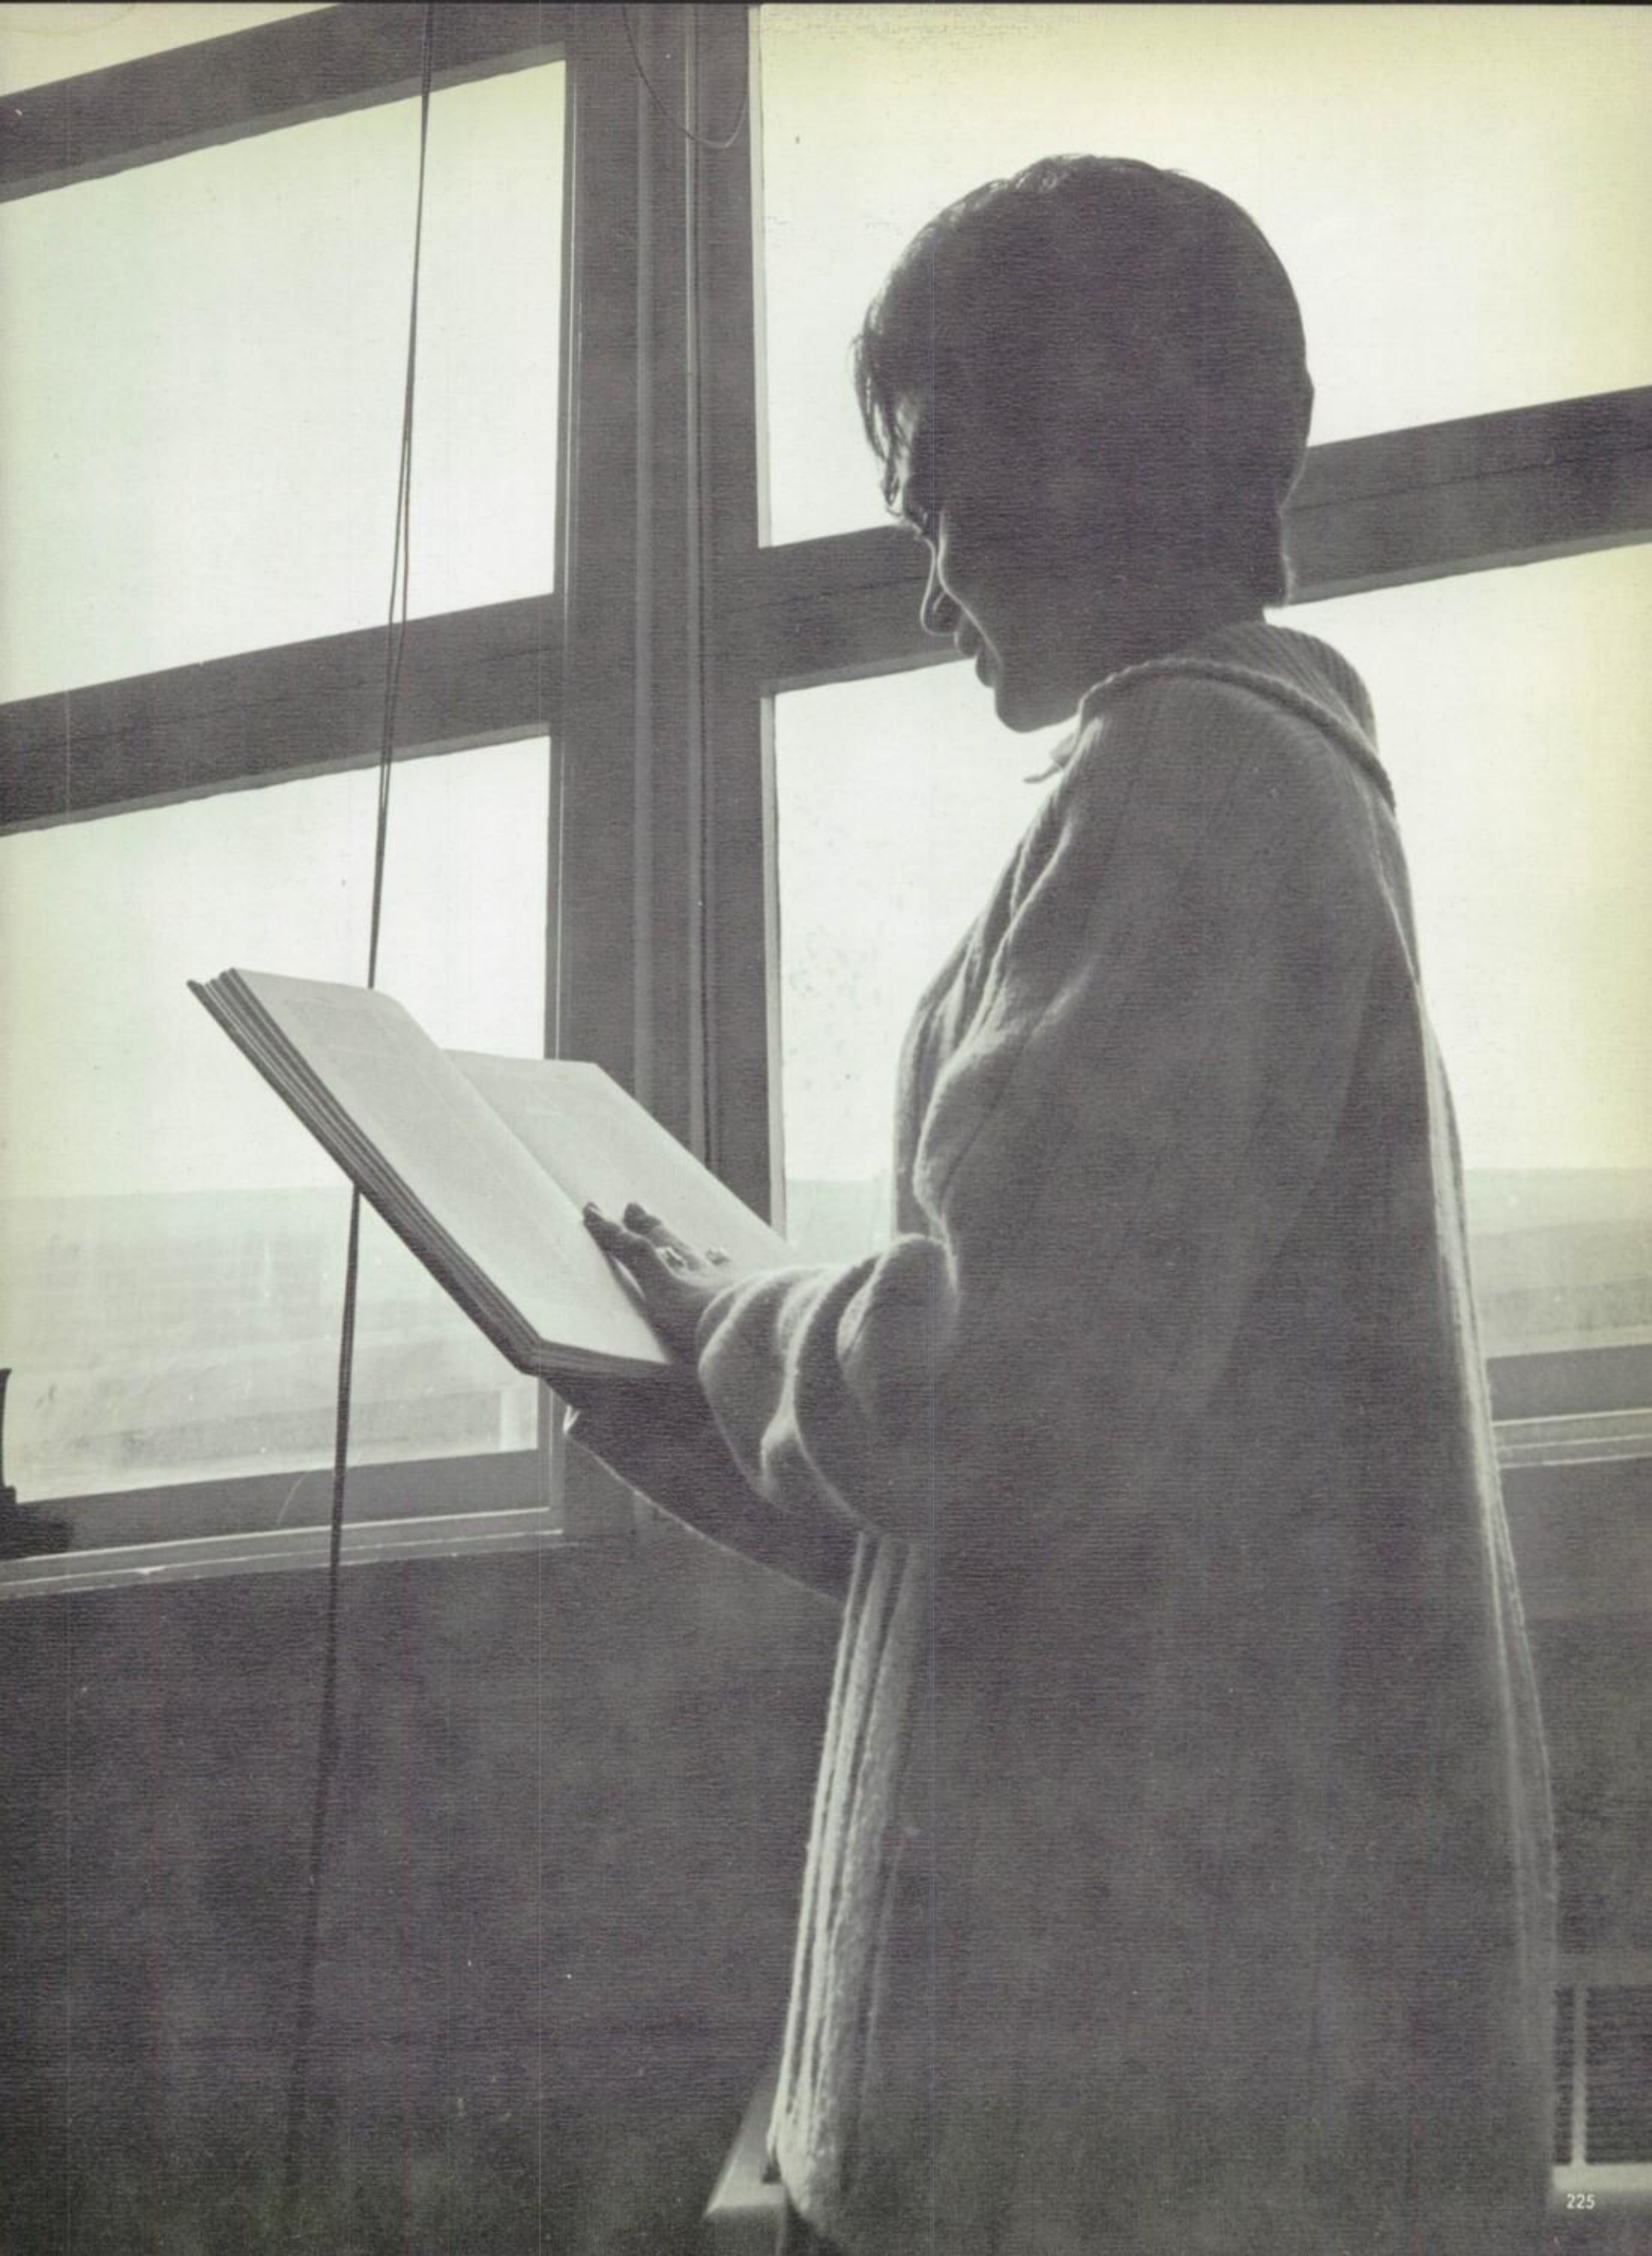
SPEAKERS CLUB

Some of the world's greatest orators never had an opportunity such as this one. If you are planning a career that includes any type of speaking, the Speech Team was created just for you.

The students participating in the Club activities will soon lose their fear of huge audiences.

MEMBERS OF THE SPEECH TEAM ARE: Roy Hudson, Donna Ruch, Bob Black, Bob Chitwood, Ginger Holmes, Sherri Vanderhoof, Margaret Capitan, Richard Cuellar, Cathy Cirgeniano, Nancy Brusch, Ucinda Lee, Becky McCleary, Lucy Varela, Dennis Sellers, Barbara Slessor, Victoria Menchaca, Margaret Gear, and Margaret Brakhage.

CLASSES



JUNIOR

This year, as always, the class of '64 participated actively and enthusiastically in all of the numerous school events. One of these events, the March of Dimes, our class brought in $508.

Some of the Junior class activities have been: Mistletoe Sale, Football Fellas Sale, Don Poodle Sale, a Stamp Drive, and two

bottle drives, on the first of which $165 was collected. The Junior Senior Prom was also a tremendous success.

In the field of academics we have also prospered, for we are building up a Scholarship Fund. Next year it is sure to make one member of our class very happy.

Heading toward higher goals the Sophomore class began the school year with many new, original and great ideas, on how to make themselves known.

But ideas alone will not stand unless support is given. To make a simile, like a body without carriage.

But support they asked for and support they got. This helped to carry out two car washes, both equally successful, a pizza sale, and a pop corn ball sale. For all this work they were given a Sophomore Dance.

Yes, the future is in good hands. The Sophomores are El Rancho's future.

FRESHMAN

The Freshman Class is thought of as the infant of El Rancho. Still wet behind the ears, confused and bewildered.

They know that they can be known in two ways, the good or easier yet, the bad.

Freshmen have high standards and goals. They proved this through the highly successful candy apple sale.

THE COACH SAYS....

The 1962 varsity football team added another page of pride and prestige to El Rancho's athletic history.

This team plagued by injuries and lack of depth showed great heart as they scratched and clawed their way to an 8 win, 2 tie, 1 loss season.

The first round of the C.I.F. playoffs saw the Dons come with an inspired performance to down the fleet of Wildcats from Monrovia by the score of 19-0.

In the only defeat, 14-6 to mighty Anaheim, the team showed the desire and determination that had characterized their season. They fought to the closing bell and, though they lost the game, were victorious in all other categories. Surely it was a display of courage, loyalty, and sacrifice of which we may all be proud.

Ernie Johnson

CALIFORNIA INTERSCHOLASTIC FEDERATION

Just what is C. I. F.? How and who started it? What is its purpose? These are but a few questions asked by bewildered but jubilant students every year, as one of our athletic teams enters a C. I. F. playoff game.

The purpose of this section is to familiarize everyone with the Southern Section of the Calfiornia Interscholastic Federation.

The C. I. F. was organized at a high school athletic convention held at the Y.M.C.A. Field House, Los Angeles, on March 28, 1941.

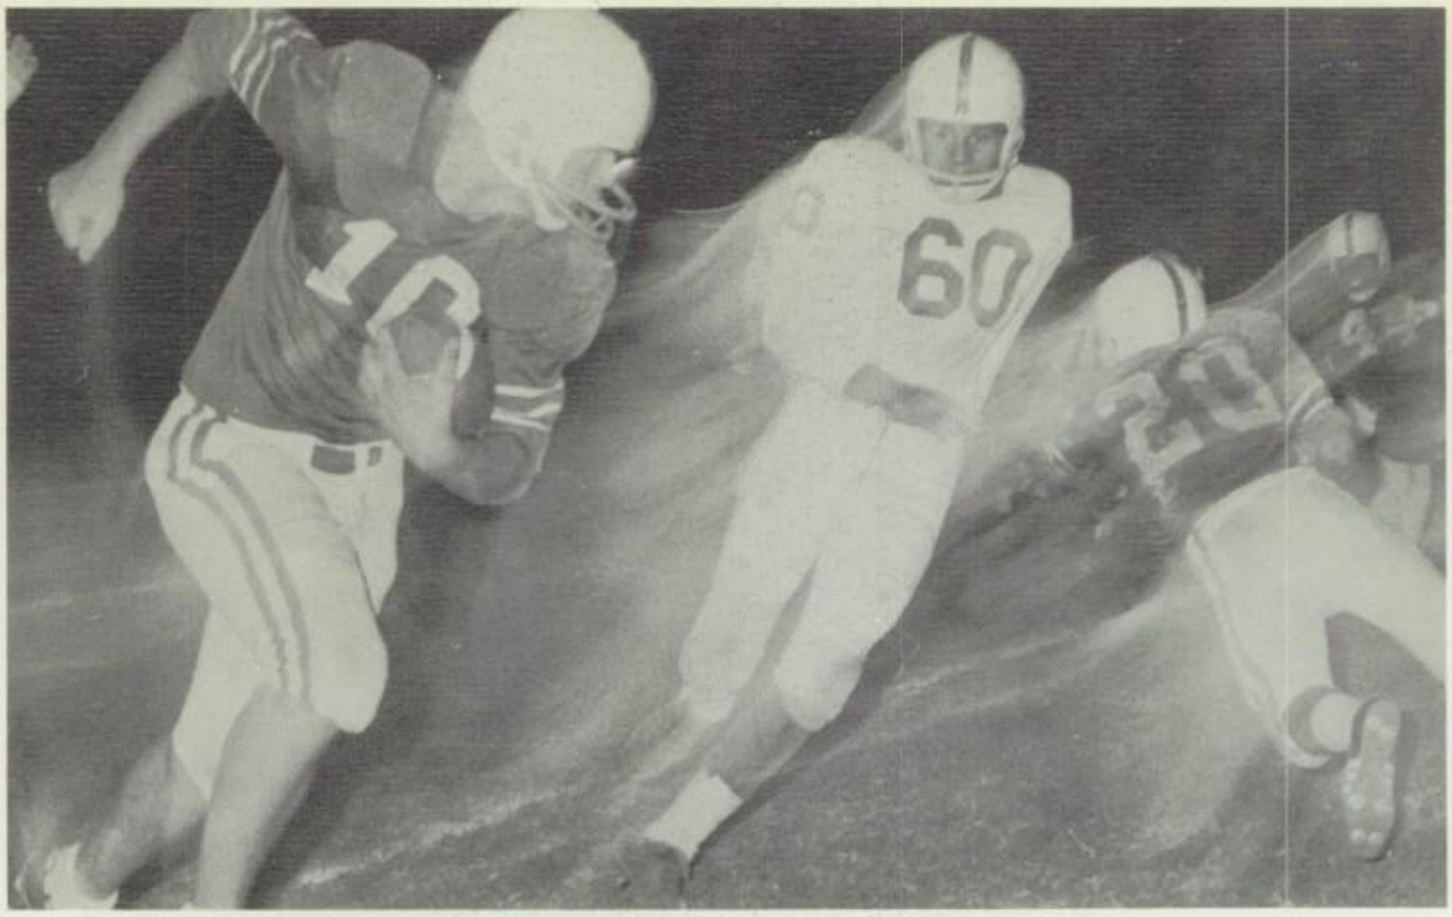
The convention followed a number of conferences in which there had been an agreement that high school athletic contests, to be of value to the schools and the participants should be organized under the control of the responsible heads of the schools.

The general purpose of the State Federation is to make possible uniform practices in conducting athletics in all parts of the state, to centralize control and to foster clean and sportsman-like competition and conduct in athletic contests.

For purposes of administration, California is divided into the following nine sections: Southern Section, Central Sectiontion, Los Angeles City Section, North Section, San Joaquin Section, Northern California Section, Oakland Section and San Diego Section. The first four sections have two representatives on the State Council. The last five and the State Department of Education have one each.

The State Council has complete control of all state championships in high school athletics and may specify all details regarding the methods and places for conducting the contests.

On the following pages there are pictures of our football team in their two C. I. F. playoff games. At Deadline time both football and Cross Country varsities had entered into C. I. F. playoffs. The federation is, however, open to all of the athletic teams here at El Rancho.



Egan makes another substantial gain for the Dons.

EL RANCHO vs. MONROVIA 19-0

On Friday, November 23, 1962, the El Rancho Dons faced the Monrovia Wildcats at the Cerritos College Stadium in the first round of the C. I. F. divisional playoffs.

To prepare for this opening game, held during the Thanksgiving vacation there was a pep rally, car caravan, and daily meetings at noon in G 107. All of our preparation paid off as the team won, 19-0.

Fullback Frank Loveless and quarterback Tom Egan were the offensive stars. Loveless gained 136 of the 309 yards totaled by the Dons, and scored two of the three El Rancho touchdowns. Egan gained 70 yards rushing, and completed three of six attempted passes, one good for a touchdown.

The Don defense, however, provided the margin of victory as they intercepted five Wildcat passes and held the Pacific League Champions scoreless.

The El Rancho Defense held them scoreless.

"Lets go big 'E' lets go!!"

8 WINS- 2 TIES- 1 LOSS,

ANAHEIM 14, EL RANCHO 6

Friday night, November 30, 1962, at the Cerritos College Stadium, our team took the field as strong C. I. F. title contenders. They left the field as the toughest bunch of boys Anaheim had met all season.

The Dons outgained the Colonists 221 yards to 149, but their defense held our offense scoreless 'till the fourth quarter when Okada took a pass from Egan and scored the only Don touchdown of the evening. Anaheim took the advantage of an El Rancho fumble and an interception, and turned them into the winning margin.

The play that will probably never be forgotten by either team was Anaheim's Ty Salness catching a pass from Egan intended for Glass on our two yard line and running it back 98 yards for the Colonist's second score.

Another play, another down, another Don lies on the ground.

They're doing their best, they're just not getting the breaks.
